The man of many anxieties asked the politician did the public really like to be humbugged. "Yes," said the member, "provided the humbug is pretty and harmless, but not if it buzzes round waiting for a chance to sting."

The fact that our sale is going on as strongly as the day it started proves that we are not trying to throw any dust of deception in the shopper's eyes. You will find your money buys most in quantity, quality and satisfaction. Here are some of the enormous reductions:—
